Wastequip Announces Move to New Corporate Headquarters

Charlotte, NC – Wastequip, Inc. (www.wastequip.com), a world leader in the manufacturing of waste handling equipment, announced today the relocation of its corporate headquarters to Charlotte, North Carolina. Wastequip's corporate move will begin immediately and be completed by the first quarter of 2010. All departments of the company will be located at the new headquarters.

"With the executive team in one location, I believe this will allow us to build the culture and high performance management team we need to continue growing both the company's Specialty and Steel businesses for years to come. I am excited about the opportunity this presents us," says John Scott, CEO of Wastequip.
