With our very own Guardian™ Control System and precision-guided ram, Wastequip’s stationary compactors are ideal for handling dry waste.

Guardian™ Control System
- New user-friendly controls
- Automatic Maintenance Tracking
- Superior 24-volt control
- NEMA 4 rated enclosure
- Remote power unit with weather protection cover

Heavy-Duty Ratchet Binders
- 1-1/4" thick hooks
- Greasable fittings

Precision-Guided Ram
- Glides smoothly above compactor floor on long-lasting UHMW guides
- 14” ram penetration minimizes spring-back of material

Large-Access Openings for Maintenance and Service
- Removable rear panel
- Removable side panels

* Use of an oil heater or extreme cold weather hydraulic oil is recommended in extreme cold conditions.
STATIONARY COMPACTORS
345IP Precision Series 3-Yard Model

Optional Features

- Advance warning light
- Color-coded pressure gauge
- Guide rails with stops
- Oil heater
- Photo electric eye
- Odor control system
- Cart dumper

Warranty

- 3-1-1 warranty (3-year structural, 1-year parts, 1-year labor)

Standard Features

- Heavy-duty ratchet binders with 1-1/4" hooks
- 58-second cycle time
- Controls in panel face
- Automatic Maintenance Tracking
- Full container light
- Low temperature oil
- Multi-cycle timer
- NEMA 4 control panel protects against windblown dust, splashing water, and hose-directed water
- Operation and service manual
- Primed and painted in multiple colors
- Remote power unit with weather cover

Standard Color Choices

Colors shown are as accurate as printing allows. The actual color is subject to variation from the printed color sample. Color choices vary by plant location. Please contact your local sales representative for available colors. Custom colors are available upon request and are subject to an additional charge.

Replacement parts available online at www.gotoparts.com.

Wastequip is the leading North American manufacturer of waste and recycling equipment for collecting, processing, and transporting recyclables and solid or liquid waste.
